

Dear All,

Time in a Basket is proud to introduce you to our new website www.timeinabasket.com

We will have a monthly newsletter, including new gift basket designs and pictures with promotions, coupons and a drawing gift basket.

Our gift basket business started in spring 2006. We are specialist in decorative and customized gift baskets and gifts for individuals, businesses, real estate agents and hotels. We offer theme gift baskets that can be filled with everything from gourmet food to SPA items. We use Oregon products including gift items from local artists. We can also add personal items and greeting cards.

Each one who has signed up for our newsletter will automatically be entered into our **monthly drawing** for a **free gift basket**.

Our services include consulting to help you find what you are looking for within your budget. We also offer monthly accounts for hotels and businesses and membership programs for individuals.

This month special is a fun "Back-to-School-Surprise" - this basket has everything from useful school supplies, laundry money, to healthy snacks with nuts and sweet treats tucked in a nice wicker waste basket. We can customize it for any age of the student. What a good and happy school-start wish!

We deliver in the Corvallis-Albany area or we ship nationwide with UPS or FEDEX at cost.

We look forward to hear from you, your feedback is very welcome too, and please feel free to forward this e-mail to your friends. In case you no longer wish to receive the monthly newsletter please send us a short e-mail at info@timeinabasket.com .
